If NO, please explain how item will be funded:

Executive Summary:

Horton Farms (Campton Excavating) submitted the low overall bid by providing low bids for 10 of the 14 categories requiring hourly rates. For any hauling/excavation jobs in 2011/12, we recommend Horton Farms/Campton Excavating. Heritage Logistics (Naperville) tied Horton Farms for the hauling rates for a semi ($92/hr.). Heritage Logistics also submitted low bids for delivering stone and gravel (and sand). Therefore, when spoils are hauled to Lootens (South Elgin) and stone/gravel or sand is delivered back to us (on the return trip), Heritage Logistics offers the lowest overall price.
