Estimated Cost: na Budgeted: NO

If NO, please explain how item will be funded:

Executive Summary:

The IMEA energy efficiency committee has developed a recycling program for old but still functioning refrigerators. A contractor will pick up and recycle the refrigerators and the customer will receive \$35. A phone number will be provided for customers to call to schedule a pick up. Only residents in IMEA member cities are eligible for the program. The program will begin in mid summer and run until funds are expended on a first come basis.
