If NO, please explain how item will be funded:

Vehicle 1764 is scheduled for replacement and is budgeted.

Vehicle 1717 is experiencing mechanical issues that can't be fixed. This vehicle is scheduled to be replaced in the following budget year and is simply being moved up one year. Funding is available through the motor vehicle replacement fund.

**Executive Summary:**

The Police Department is looking to replace two existing SUVs with 2011 Chevrolet Tahoes. Vehicles to be replaced are City #1717 (2008 Ford Explorer) and City #1764 (2005 Ford Expedition). Both vehicles meet the criteria for replacement. This has been reviewed and approved by the Fleet Management Committee.

Miles Chevrolet (Decatur, IL) had the Illinois State Contract (low bid) for 2011 Tahoes; production of the 2011 models was discontinued in May. However, Miles Chevrolet has several 2011 Tahoes on order, two of which meet our required specifications. To maintain our philosophy of buying locally, Don McCue Chevrolet was given the opportunity but was unable to provide two, new, 2011 Tahoes for us.
