

AGENDA ITEM EXECUTIVE SUMMARY

Title: Tablet PC purchase for electronic patient care reporting.

Presenter: Fire Chief Patrick Mullen

Please check appropriate box:

X	Government Operations (10/3/11)		Government Services
	Planning & Development		City Council

Estimated Cost:	\$41,207.60	Budgeted:	YES	X	NO	
-----------------	-------------	-----------	-----	---	----	--

If NO, please explain how item will be funded:

Executive Summary:

The Tri-City Ambulance Board of Directors, as part of the current Tri-City Ambulance budget, approved the purchase of eight (8) Panasonic Toughbook tablet PC's and appropriate emergency Patient Care Reporting (ePCR) software. This purchase will enable Tri-City Ambulance personnel to generate patient care reports more efficiently and obtain required treatment and billing signatures electronically. Electronic reporting and signature collections will expedite ambulance billing and fee collections as well as ensure Medicare/Medicaid regulatory compliance. No other bids were secured as the selected vendor, CDS Office Technologies, is a state bid contractor and the ESO product is the sole source provider for the patient care reporting software mandated by the Southern Fox Valley EMS System (Delnor Hospital). The project bid includes the following items:

- \$35,647.60: Eight (8) Panasonic Toughbook 19 Tablet PC's
- \$ 5,560.00: ESO ePCR Mobile software
- \$41,207.60 Total project cost.

Attachments: *(please list)*

- CDS Office Technologies quote (State bid price)
- ESO Solutions quote (Sole source vendor)

Recommendation / Suggested Action *(briefly explain):*

Recommend approval of the authorized purchases by Tri-City Ambulance from CDS Office Technologies and ESO Solutions for a total of \$41,207.60

For office use only:
