Fox River Dam Joint Task Force Meeting is May 2

ST. CHARLES, III. (April 17, 2024) – The Fox River Dam Joint Task Force will meet May 2, 2024, at 6 p.m. at the City of St. Charles Municipal Building, 2 E. Main Street. All are encouraged to attend.

The Joint Task Force is charged with gathering and analyzing all relevant information related to environmental, economic, and recreational impacts of the dam for the City, Park District, residents, and businesses.

The Joint Task Force was formed following the United States Army Corp of Engineers draft report recommending removal of nine dams along the Fox River, including the St. Charles dam. Nine community representatives sit on the Joint Task Force: five from the City of St. Charles, three from the St. Charles Park District, and one from River Corridor Foundation of St. Charles.

About the City of St. Charles

The City of St. Charles, Illinois, is guided by the three driving principles in its Mission: *Service. Tradition. Community.* Together, these principles create a thriving environment for people who live or visit here, and for businesses to prosper. Our City has gained national recognition as a family-friendly town and wide acclaim for its architecture, living up to its nickname *Pride of the Fox*. Conveniently located 35 miles west of Chicago, in Kane and northwestern DuPage counties, St. Charles is home to 33,000 residents and a balanced mix of more than 2,000 businesses that employ approximately 28,700 people.
