No July Meeting of the Fox River Dam Joint Task Force

ST. CHARLES, III. (July 10, 2024) – The City of St. Charles received notification from the US Army Corps of Engineers that the Corps will be conducting additional analysis for the Fox River study which may impact discussions conducted at Joint Task Force meetings. Therefore, there will be no Task Force meeting in July. The Task Force will be posing questions to present to the City Council and Park District Board in order to evaluate the additional reports from the Army Corp. Once all reports are completed, the Task Force will review the new information and discuss.

The [Task Force website](#) is the central point for information about Joint Task Force activities. Visit the site to submit a question or comment, access upcoming meeting information and agendas, and to watch recordings of past meetings.

About the City of St. Charles

The City of St. Charles, Illinois, is guided by the three driving principles in its Mission: *Service. Tradition. Community.* Together, these principles create a thriving environment for people who live or visit here, and for businesses to prosper. Our City has gained national recognition as a family-friendly town and wide acclaim for its architecture, living up to its nickname *Pride of the Fox*. Conveniently located 35 miles west of Chicago, in Kane and northwestern DuPage counties, St. Charles is home to 33,000 residents and a balanced mix of more than 2,000 businesses that employ approximately 28,700 people.
