#### **Annual Water Quality Report Shows St. Charles Water Meets or Exceeds All EPA Standards**

**ST. CHARLES, III.** (July 29, 2024) – Every year, the City of St. Charles tap water is tested in accordance with strict Environmental Protection Agency (EPA) drinking water regulations. Test results show City water meets or exceeds all water quality standards as listed in the Safe Drinking Act.

The City of St. Charles distributes a report each year that summarizes the quality of the City's drinking water, including details about where St. Charles water comes from, what it contains, and how it compares to the standards set by regulatory agencies. The City provides this report to keep residents informed about the drinking water supply.

The 2024 Water Quality Report includes information about water tested in 2023. [The report is available on the City website.](#) Residents can also get copies of the report at the Municipal Building, 2 E. Main St., or the Public Works facility, 1405 S. 7<sup>th</sup> Ave.

For more information about water testing standards and frequency, contact the Illinois EPA at 217.785.4787 or the St. Charles Public Works Department at 630.377.4405 or [pw@stcharlesil.gov](mailto:pw@stcharlesil.gov).

#### ***About the City of St. Charles***

The City of St. Charles, Illinois, is guided by the three driving principles in its Mission: *Service. Tradition. Community.* Together, these principles create a thriving environment for people who live or visit here, and for businesses to prosper. Our City has gained national recognition as a family-friendly town and wide acclaim for its architecture, living up to its nickname *Pride of the Fox*. Conveniently located 35 miles west of Chicago, in Kane and northwestern DuPage counties, St. Charles is home to 33,000 residents and a balanced mix of more than 2,000 businesses that employ approximately 28,700 people.
